**POWER THROUGH DEADLINES,
PLAY THROUGH WEEKENDS.**

**THE ALL NEW
NEXT GENERATION
Mahindra
PICKUP**

FOR THE WEEKDAY WARRIOR, AND THE WEEKEND EXPLORER

You effortlessly weave through work and life, which is why we've built a pickup for you that partners you through every journey. The perfect union of strength and serenity, power and precision, the all new Mahindra Pickup is built to match your every step.

Built around the powerful mHawk engine, the Mahindra Pickup stretches the limits of what a pickup can do with its impressive load capacity and towing capabilities. Once you take the wheel the plush, comfortable interiors and cutting-edge touchscreen entertainment system make sure that no matter the terrain, every drive is a delight.

THE NEXT GENERATION
Mahindra
PIKUP

FORGED BY FIRE

Clothes make the man but the car he drives reflects his soul and that's why we designed the Mahindra Pickup keeping two principles in mind, confidence and competence. It features an all new bold front grille with chrome inserts, rugged wrap-around bumpers and high performance dual projector headlamps with low-profile LED eyebrows and static bending technology that make sure that the path is cleared for your arrival.

STRENGTH MEETS COMFORT

When you're in the driver's seat we made sure that you not only get all the power one expects from a pickup but also all the comfort, protection and features you'd want in a luxury vehicle. The solitude inside the cabin gives you a virtual office on wheels, making sure that business never stops no matter where you are. Even when you're carrying precious cargo, your mind is at absolute ease because every Pickup comes equipped with three-point seatbelt systems for every seat and ISOFIX anchors for child safety seats.

LIFTS MORE THAN EYEBROWS

Life can carry a heavy load and the Pickup is right by your side to share it. The Pickup's strong foundation gives it a maximum towing capability of 2.5 ton and a large load box with a payload capacity of 1.195 ton. At the heart of this power lies in the legendary 4-cylinder, turbo-diesel, 2.2 ltr. mHawk engine capable of delivering 103 kW/140 HP of power and 320 nM of torque.

BUILT FOR EVERY TERRAIN

In your pursuit of perfection, life will take you many places, luckily we built the Pickup to handle anything that's thrown at it. Whatever the road may hold you're always well-grounded with the MLD and the BorgWarner™ differential and when you decide to chart your own path, no matter sleet or snow the 4WD and ESP with Hill Hold give you the power and protection.
